LOJIC Horizon Network Self Service Password Reset

To reset your LOJIC Horizon password because it is not working or you cannot remember it, Click reset it now or Forgot my password. You can also go to this link: https://passwordreset.microsoftonline.com/

In e-mail field, enter userID@lojic.org. Example: jpoole@lojic.org

Enter in captcha (not case-sensitive).

For verification step 1, Select Text my mobile phone or Call my phone with an automated code. The last two-digits of the phone number stored by Microsoft are shown. Select the appropriate method for verification and enter in the full 10-digit phone number. (Example: 5025406223)

Click the blue button under the entered phone number.

Enter new password and confirm by typing again.

Password Requirements:

- Between 16 and 30 characters
- At least one upper case letter (A-Z)
- At least one lower case letter (a-z)
- First character must be a letter
- At least one number (0-9)
- Include at least one of these special characters: _ ! # %
- No spaces
- Cannot be the same as current password
- Cannot be your username

This message will appear if successful.

Please contact the MSD Helpdesk at 502-540-6200 if problems are encountered.
