## How to Change Your Citrix Password

## **Start the Application:**

Start the application by opening Internet Explorer and go to <u>http://www.lojic.org/main/citrix/login.htm</u>. Click on the **LOGIN** icon.

Enter your Citrix username and password in the Citrix Login window. Click on the LOG IN button.

## **Change Citrix Password:**

After successful connection to the LOJIC Citrix server, you will see a window containing icons of available applications. Click on the **Settings (gear)** icon. Click on the **Change Password** button.
